

CMPS-122: Intermediate Programming
Spring 2018

Homework 3

Due Date: 02/21/2018, 7:59 am

100 points

Overview

This non-coding assignment will introduce you to some fundamental aspects to being a professional. Your program is accredited by the Board for Engineering and Technology, which means students must be familiar with the elements of a professional code of ethics.

Instructions:

- ✓ Read the following codes of ethics:
<https://www.acm.org/about-acm/acm-code-of-ethics-and-professional-conduct#CONTENTS>
<https://www.ieee.org/about/corporate/governance/p7-8.html>
- ✓ Create your own “Code of Ethics”. You can use the codes above or others as a reference, however, make it your own code. *By create your own, it means what principals you consider to be important to ethical professional conduct.*
- ✓ Guidelines for your code of ethics:
 - Provide just the principles, expanded explanations are not required
 - Up to 2 pages in length
 - At the top of your “Code of Ethics”, add your name and PSU ID
 - Title: “My Code of Ethics”
- ✓ Submit your file as a PDF to the Homework 3 assignment
