Essay Prompt #2

You are to develop an analytical/critical essay comparing and contrasting the films: "The Florida Project" and "Central Station". You are to use Pierre Bourdieu in this project.

Paragraph #1: Introduction

1. Thesis brief, clear and to the point.

Paragraph #2: Definitions

1. Here you must define the technical terms you are using in your thesis. For example, here you must define Bourdieu's Culture Capital. You are not allowed to use the dictionary, the encyclopedia or any other internet site that has a dot com extension.

Paragraph #3 and #4: Analysis of Your Examples.

Paragraph #5: Conclusion

Note:

- 1- Make sure you follow MLA in writing your name, your professor's name, class and date.
- 2- Last name and page number as per MLA (top right-hand corner)
- 3- Your title should be a long title, not a one, two, three or a four-word title.
- 4- You should have an introduction to your chosen subject as your first paragraph.
- 5- **Your thesis should be underlined and at the end of the first paragraph.**
- 6- Your second paragraph should be a paragraph where you define the theory you are using.
- 7- The rest of your body paragraphs should be about finding examples and analyzing them.
- 8- Your last paragraph should be your conclusion.
- 9- **You must have 3 full pages in your essay**, a fourth page with your bibliography and a fifth page if you need to print images-pictures.
- 10-Your essay must have at least 3 citations/quotes from the articles read in class.
