

Please watch the following video, "The Environmental Tourist: An Ecotourism Revolution" (57 mins.)

This is a group submission (2 students max).

<https://www.vermontcam.org/show/environmental-tourist-ecotourism-revolution> (Links to an external site.)  
[Links to an external site.](#)

Write a 3 page (Word Doc) reflection in APA format with the following requirements:

- Title page, page numbers, running header, headings/subheadings, and reference page
- One overall argument supporting the need for a more pro-environmental tourist approach
  - At least one outside reference supporting your overall argument
- A section explaining the relationship between humans and natural resources
- A section explaining the tension between "profit and preservation"
- A section explaining how both tourists and the environment benefit from ecotourism initiatives

**FOLLOW ALL THE INSTRUCTIONS!!!**
